- Key Club
- AP Ambassadors

Howdy Area 11 My name is Kylie Jones from the Caney Creek FFA chapter. I'm extremely grateful for this opportunity to be a candidate to represent the best area in the great state of Texas. I became involved in FFA when I was just 9 years old. Looking back, I was a very shy and timid little girl who never thought I'd be able to do something like this. After participating in FFA for the past 8 years I finally have the opportunity to be the role model for you that I once looked up to. My goal as an area officer would be to help members gain self confidence in order to come out of their shell and succeed in ways, they never thought possible. I can't wait to get to know all the great members that make area 11 who we are. If you are someone who feels a left out or feels that it could be embarrassing to embrace who you are please vote me as an area officer so I can help you accomplish your goals and succeed in things you never imagined.
