**Hey y'all my name is Maddox Steele, I'm headed into my senior year. Looking back at where I started in this program, I am amazed at where I'm at. This organization was introduced to me through my older sister who was a chapter officer when I was in 8th grade. After attending her first meeting I was hooked instantly. I've been involved in FFA for about five years now. I've raised multiple animals such as heifers, pigs and steers. I've participated in the Homesite Evaluation CDE and Radio Broadcasting LDE. However out of all the things I've participated in throughout my FFA career, Leadership is what I find the most interest and passion in. I've served two terms as officer for my past school, and will be serving as a Chapter Officer at my current school in the upcoming school year, and served as District IV's 2022/2023 Blackland District Treasurer. This side of FFA has taught me countless things that have shaped me into the person I am today, and I would love the opportunity to share everything I have to offer and grow our area together as one of your 2023/2024 Area XI officers.**
