Howdy Area XI!

I am so excited to have the opportunity to represent the Bluebonnet District as a candidate for Area XI President. One thing that I know for sure is this time in our lives is filled with opportunity. Opportunities to make new friends, be a part of something new, or even be at the Area XI Convention today. Bigger picture, in all that we are blessed to accomplish, we have to remember to give all that we have. Be Positive, Be Ambitious, Be Driven, and vote for me as your next president. Area XI, I am ready to serve you this year in all we do, TOGETHER :)!
