Hello Area XI,

My name is Madison Grant, I am an incoming senior from Louise, Texas. My FFA journey started when I was in the 7<sup>th</sup> grade and joined our Junior FFA program. FFA has truly been a place for me to call home ever since! Coming from an untraditional agriculture background myself, my number one goal has always been to provide a feeling of inclusiveness. As one of your Area XI candidates I promise to create a community that is welcoming to all. Whether you were born and raised on a farm, or simply interested in furthering your leadership skills I want you to feel like you fit in.

I can say, completely unbiased, I could not be happier to have the opportunity of representing all the great people in Area XI. I wouldn't want to be in any other Area than the "Just like heaven, Area 11". I hope I get the opportunity to meet each of you very soon. See you then!
