

Notes from the Wednesday meeting at conference:

A survey will be sent out to Ag Teachers on the state officer process. Survey will be sent out in early august. Results from the survey will be used going forward in the future.

A recommendation was made to the FFA Board by the area representatives to move part of the election process of state officers back to Area conventions. Each candidate will give their election speech at the area convention and the area delegation will vote for two candidates. Those votes will follow the candidates through Phase 1 of the process.

The other main topic of discussion was how to better utilize the state officers during their year of service were also discussed and will be looked at.
