

Wildlife Committee Information

Region 3 Wildlife Contest set for April 13m Sinton Texas

State Contest Date has not been set. State Contest will be in Region 1 (panhandle area)

Dr Blankendhip will continue to help with the wildlife contest

A motion was made and Approved to have a group of teachers validate the state contest

Concerns were expressed about contestants competing in the 4H side of the contest and being bonafide 4H members and having a 4H representative to help monitor dresscode and clipboards

Plans are in the works for a Ducks Unlimited field day sometime in October
