Howdy Area 11!

I'm Scott McDougald, representing the Iola FFA chapter, and I am so excited to serve on your Area 11 Officer Team!

Let's make this year the best year yet for Area 11!

Area 11 is such a special place to be and who represents the area is an important decision. As an area, we will choose how to represent the Blue and Gold. We will choose the future of agriculture. And most importantly, we will choose how Area 11 impacts the rest of the State.

Whether we are cheering at the State Convention, growing our membership, or giving back with our time and talents, we will do it as an Area 11 family.

Vote me Scott McDougald, as your next Area 11 President, and together we will blaze the trail!
