Hey Area XI! My name is Ashlyn Davila and I am from the Brazos FFA chapter. I participate in various FFA competitions including Agricultural Advocacy, Senior Quiz and Floriculture. In addition, my family and I raise and sell market lambs, market goats and this will be my first year to raise a breeding heifer. When thinking about my passion, it is easily the floriculture community! I serve our floral club as president and also manage our school-based floral shop, while working part time for a floral designer. I am currently our FFA chapter's student advisor and hope to use this skill and my passion for FFA to serve you all as an Area XI officer! Being the middle sister, I am used to being a part of a big family and as an Area XI officer I will treat each and every area member just like a family member. I want Area XI to know that I want to put them first. I will strive to make Area XI the best version of itself and want to help everyone that I am able too, not just as a whole, but individually as well. I believe that I can do this best, as the next Area XI president. I am so thankful for this opportunity and cannot wait to leave my mark on Area XI!
