Howdy Area XI,

I am so excited to have the opportunity to represent the Bluebonnet District as a candidate for Area XI FFA President.

This year, I've had the real honor of getting to know so many members while serving as a District Officer and now I would like to meet all of you, Area XI!

We've been so fortunate to have the leadership of the Area XI Officers guiding and influencing us to be the greatest - both in competition and in practicing brotherhood.

The many challenges we've seen throughout the year have only ignited FFA members' passion to use the corduroy blue and gold jacket as a way to leave behind a legacy.

Teddy Roosevelt said, "**Do what you can, with what you have, where you are.**" Area XI FFA, I have no doubt that if we all do what we can with everything we have, we will continue to make Area XI the greatest place for our FFA members.
