Howdy area XI!!!

My name is Christopher Sanchez from the Calhoun FFA Chapter and the Doin' the most Gulf Coast District.

I would say that I'm pretty active within the FFA. I participate in Creed Speaking, Quiz, Livestock Judging, Prepared Public Speaking, Soil Stewardship Speaking. Over the past 3 year I have found myself striving and pushing to be the best, sometimes even to my limits. This idea of being perfect at everything was destructive. Because I didn't ALWAYS do the best, I didn't ALWAYS win the contest, I didn't ALWAYS live up to my own expectations.

Looking back at this situation I'm reminded of those movies, stories and books of people who push and push and push to be the best, but ultimately end up failing. I DID NOT want to be one of those stories, so I dedicated myself to hard work and change and in the end I achieved my goals. Area XI I encourage you to be the change that you want to see in the world and continue helping the area to grow by electing me Christopher Sanchez as your new Area XI Association President.
