Area XI FFA members, **YOU** possess great power- the power to choose who will lead the Area XI FFA Organization in the up-coming year. But as Spiderman's Uncle Ben said so eloquently, "With great power comes great responsibility," and this could never be more true than when you cast your votes for the 2022-2023 Area XI officer team!

Service and leadership have played such a vital role in my life over the past three years. I have been touched by every FFA member that I have met during this time, whether it be that Greenhand slipping into the magic of a brand new, stiff FFA jacket, a Chapter FFA member memorizing their part in Opening Ceremonies, or those "veteran" members sighing over that recordbook for the Lone Star Degree. This experience has instilled in me a desire to make a positive impact on those I will come into contact with through out the coming year!

I am seeking the opportunity to serve **YOU**, the Area XI FFA members and to make a positive impact as a 2022-2023 Area XI FFA officer. With **YOUR** power and support, together we can make this year the very best of the Area XI FFA!
